HOW TO CONTACT LEGISLATORS

Your opinion on how your city, county, state and federal government is run can make a difference. Your input – a phone call, an email, or a letter – is heard. Most citizens don't take the time to contact their legislators. Those who do can influence the vote!

For best results:

- **Visit your legislator in person. Make a phone call. Write a personal email.** Use your own words. On-line petitions are better than no contact at all but legislators say they really pay more attention when they hear directly from citizens in person (look for a coffee hour near you, or go to visit them in their office), or receive a message that their constituents phoned or emailed.
- **Phone calls and emails are faster and more efficient than letters.** Security considerations delay letters. Some legislators have toll-free phone numbers.
- **Make your contact when the bill is still in committee, before it is voted on.** Identify the bill by number. Legislators are working on dozens of bills at the same time.
- **Always identify yourself and your address.** Include your return address in your email or letter. If you phone, volunteer your name and address. Anonymous contacts go nowhere.
- **Be brief but state reasons for your opinion.** Be constructive and ask for a response. Courtesy is far more effective than a "rant." Share something personal about your background or experience. For example, "I have been a teacher for 20 years" or "I work in road construction" and I urge you to vote yes (or no) on H.B.____.
- **Thank them for their time.**

How to address the official in your email or letter:

- On the envelope, "The Honorable ____" (true for all elected officials)
- In the email or letter, "Dear Senator ____" or "Dear Representative ____" or "Dear Commissioner ____" or "Councilman/woman ____"

Do you appreciate who's who?

Who's Who: Your Elected Officials is an important service to the people of Dearborn, Dearborn Heights and Inkster. Citizens are encouraged to be in touch with their elected officials, and this is a helpful tool.

Members of the League volunteer to update the information, to organize it in a readable format and to put it on our website. Volunteers also raise money from civic-minded groups, businesses and individuals to support the League's work.

Printed copies are available only thanks to funds donated by public-spirited organizations and from people like you. Many in our community do not have access to computers. They request printed copies, but we need help to keep these efforts funded.

Tax-deductible contributions payable to League of Women Voters of Dearborn-Dearborn Heights Education Fund (LWV-DDH Education Fund) may be sent to 120 N. Military, Dearborn, MI 48128.
